ALWAYS ON THE RIGHT WAY

ABOUT US

The Révész-Group, founded, owned and managed by RÉVÉSZ Bálint, is one of the most significant logistic service providers of Hungary. The history of the company started as early as the beginning of the 80's. This was the time when the former self-employed haulier, RÉVÉSZ Bálint, laid the foundation of his current corporation. Until the end of the 90's, the company group was among the market leaders in the tautliner truck market both in terms of the number of trucks and the revenue.

NUMBERS

- ✓ **More than 500 trucks**
- ✓ **More than 150.000 sqm warehouse**
- ✓ **More than 1000 employees**

WAREHOUSING

Our HQ is in East Hungary, Nyíregyháza, where we have more than 150.000 sqm warehouses. From warehousing via distribution logistics up to transshipment, we offer various unique solutions for which special lifting and goods handling devices are available for us.

TRANSPORTATION

We are at the disposal of our partners with a fleet consisting of state-of-the-art DAF trucks and mega-trailers with clear height of 3 m. Owing to the regular maintenance and the trained personnel, we are always ready to comply even with the most stringent requirements of our clients.

CUSTOMS & SPEDITION

One of the important activities of us is the high-level customs broker activity complying with legal requirements, which ensures the complex service of our partners within the framework of a cooperation between the customs authority and our partner. We have multiple years of experience in the field of customs profession and AEO C qualification as well.

TRANSPORTATION

- ✓ Our HQ is in Nyíregyháza, we have operational bases in Budapest and Schwegenheim (DE67365).
- ✓ We have excellent service background, we have contract with Michelin and DAF, our trucks have to be rescued in 2 hours in case of breakdown or puncture
- ✓ Expert office team, several languages spoken
- ✓ We offer KPI reports regularly
- ✓ We are able to share GPS position of trucks and trailers with our clients
- ✓ ISO 9001 & 14001 certificate
